HOOWWL

I had never felt so alone.

So cold.

So scared...

...On that fateful night, so many decades ago.

To this day, I have no memory of how I came to be there...

...Standing at the threshold of that eerie, final resting place for the dead.

Perhaps under the influence of some supernatural force, I was soon compelled to enter the graveyard.

I remember feeling totally powerless...

...In a trance-like state...

...As my bare feet softly caressed the dew-laden blades of grass which surrounded each tombstone.

Like a ghost hovering among the deceased, I ventured forward for what seemed an eternity.

Until the silhouette of a macabre structure caught my attention...

...The crypt.

In an endless maze of marble, death and decay, I somehow knew that inside the mausoleum is where my destiny awaited...

GREETINGS,
MORTAL...

...ENJOYING
THE VIEW...?

...OF THE SCANTILY
CLAD FEMALE AIMLESSLY
WANDERING IN THE CEMETERY
DOWN BELOW, IS WHAT I MEANT,
YOU PERVERT!

I SEE YOUR
INSATIABLE LUST FOR MY
DEPRAVED HORRIFIC STORIES HAS
LED YOU ONCE MORE TO INCUBUS MANOR.
COME THEN... DO NOT BE AFRAID... JOIN
ME ON THE MANOR'S UPPER BALCONY SO
THAT TOGETHER WE MAY WITNESS
WHAT WILL TRANSPIRE NEXT IN
THIS SPICY, MORBID TALE
I CALL...

"MEMOIRS
FROM THE
GRAVEYARD"

After inexplicably slipping
off my negligee, I blindly
entered the dark tomb.

...Or was it something
far more sinister?

As I shut the heavy
doors behind me, I
began to wonder...

...Was it in fact
the hand of fate
that had guided
me to this place..?

The answer to my query came in the form of an icy claw swiftly emerging from the impenetrable darkness...

...I desperately tried to scream, when razor sharp fingernails brushed against my cheek, sending a chill to my very soul..!

...But not a sound could be heard from my quivering mouth.

And so, upon my slowly turning around...

...I gazed into the fiery brimstone stare of deep crimson eyes...

...Felt the cold embrace of lips long dead...

...Agonized from the sudden sting of the first bite...

...But relished the exquisite pain of the many more that would follow...

I began feeling weaker and weaker with each skin laceration...

...But strangely enough, the bloodletting also enhanced every one of my senses... slowly transforming me, it seemed, into something more than human!

It was at that moment that I knew...

...I would never be the same again!

On that night, I became the third of his undead brides.

My destiny fulfilled.

I would remain, forever young, by my immortal master's side until the end of time... or so I thought... but in the end, it was not to be.

Soon thereafter, a hunter's wooden stake would take my beloved away from me...

...making me a widow...

...A widow with an undying grudge.

The end.

THANK YOU FOR BRINGING IN YOUR MANUSCRIPT, MRS. PRYCE...

...I TRULY ADMIRE THE FACT THAT IN THIS AGE OF COMPUTERS...

...YOU CHOSE AN OLD TYPEWRITER AS YOUR WRITING INSTRUMENT.

YOU COULD SAY I'M OLD-FASHIONED.
